

General queries related to payment to Registry for Perform Achieve Trade

Recently, Registry has received queries from some of the DCs, related to payments to be deposited for ESCerts registration and Issuance. In this regard following actions are suggested to DCs:

1. Regarding Charges towards ESCerts Issuance/Registration: PAT Net Portal may kindly be accessed by the DC through the validated credentials of Utility Head. The charges payable towards Issuance/Registration are arrived at based on the quantity of ESCerts to be introduced and registration status of the entity. These charges with applicable taxes as indicated in the portal are to be deposited with registry.
2. DC wise payment towards ESCerts Issuance/Registration: Designated consumers are kindly requested to deposit charges into the bank account entity wise. Clubbing payments of different DCs funder same umbrella company/group and making single payment shall not be considered for ESCerts issuance/registration.
3. Registration Fees payable only once: As per clause 2.5 of CERC Approved procedure for transaction of ESCerts *"The registration granted by the Registry to the Designated consumer as eligible entity, shall remain valid unless otherwise revoked in pursuance of conditions for revocation as outlined under these Procedures."* Therefore, registration fee is payable only once irrespective of cycle of registration i.e., DCs which are registered in PAT Cycle-I need not to pay any registration fee for PAT Cycle 2 again.
4. Deduction of TDS: TDS deducted if any, against the ESCerts fee/Registration fee to be paid to Registry, TDS ratio shall be as per 50:50 against the respective PAN of the Bureau of Energy efficiency (BEE) and POSOCO.

The details of Bank Account Details for payment of Fees and Charges are as follows:

Name of the Account Holder	Account No	Account Type	Bank Name	Branch Name and Code	IFSC code	PAN of POSOCO	PAN of BEE	GST Number
